

IMPORTANT REMINDERS

Travel and Lodging

LAKEVIEW GOLF COURSE - DAY ONE
Travel time to Lakeview Golf Club in Harrisonburg (our first round) is approximately 3 hours from Mathews/Gloucester (about 200 miles) so with an 11:36am tee time, a 7:30am departure is recommended. Lakeview's cost was not included in our golf package so refer to the Cost Sheet for details.

SHENVALEE CHECK-IN – DAY ONE:
Players are encouraged to leave Lakeview Golf Club immediately after their round and drive to Shenvalee (a 30 minute ride) to get checked-in. By staggering our check-ins, we will hopefully avoid the nightmare we had last time when we all descended on the hotel lobby at the same time!

BREAKFASTS ARE INCLUDED:
Don't forget breakfast at Shenvalee starts serving at 7:00am and is included in the lodging cost.

Golf

THE CARGILL CUP – This is the main prize and will be awarded to the player with the lowest Tournament NET score (total of each three round NET scores). Final standings will be determined by player's tournament net scores. Unlike in previous tournaments, place cash awards will only be given to the top 8 place winners. The 1st place winner will be awarded the coveted Cargill Cup.

HANDICAP INDEXES – We are using indexes as of October 8th. Course handicaps were calculated using these indexes together with the course ratings and slopes of the tees players are assigned to. All GROSS scores of the three rounds will be posted in our handicap system and thereby update your index.

TEE BOXES – All players except Rick Machen (*bad shoulder and a recent surgery*) have been assigned the tee box (*front, middle or back*) that comes closest to the tee played from this quarter at Piankatank. Please do not change your assigned tee box.

DAY THREE FORMAT – Our last round has an unusual format which we have never used before. Please review this round's description on the Round Format Sheet and ask for clarification if needed.

LEADERBOARD UPDATES – The three 1st place GROSS wins and three 1st place NET wins plus all twelve CTP wins will be posted on our website's Leaderboard. The only cash to be credited on the website Leaderboard's money list is cash won by placing 1st or 2nd NET in one of the three rounds. All other cash prizes earned during the tournament will not be added to a players total on the Leaderboard money list.

CLOSEST TO THE PINS – All 12 tournament par-3 holes are CTPs worth $6 each. If you are in the last group of the day please remember to bring in all 4 CTP markers.

SCORECARDS – Having three 9-holes courses each, both Shenvalee and Lakeview's scorecards do not show 18-hole course combination information (*rating/slopes/hole handicaps for each of the three 18-hole possibilities*). We found 18-hole scorecards with this information for both Lakeview and Shenvalee and have put these scorecards on the website and in the Player Package.

SUGGESTION BOX – If you are so inclined, please use the Suggestion Box on the website to share any comments, complaints, observations and of course any suggestions you might have regarding the tournament. The Event Team put a lot of effort into this trip and we would like to know your thoughts.

We hope to email results out daily to the full membership as well as final results of the tournament.
