Steering Committee Minutes – April 29, 2025

Steve Saunders Coles Buchanan Hunt Thompson Billy Small Fred Haggerty

George Cummings Tom Shoemaker Ed Lipinski Mike Reed

Agenda Items/Discussion:

1. Minimum Number of players required for a Qualified Round (Coles) – With the intent of keeping a degree of competitiveness in a round, the Committee changed the current minimum of 10 players to 8 players at the start of a round, with a majority finishing, in order for that round to be qualified.
2. Rounds Counted Toward A Geezers Handicap (George) – The Committee decided that scores from all rounds will be turned in to the Statistician by the coordinators. If the round is not qualified, the scores will be recorded for handicap purposes only.
3. New Member Eligibility For Competitions (Tom) –The current policy of allowing new members to compete only in Closest-To-The-Pin and Hole-In-One competitions (if applicable fees are paid) was changed, allowing them to participate in all competitions.
4. Payout Schedule – The Committee decided to retain the current payout system, rather than to reduce the number.
5. Membership Roster (George) –Membership rosters will be made available to members upon request.

Respectfully submitted,

Mike Reed, Secretary
